

Heart and Health - Caring and Nurturing Together

Dr. David Kavesteen, MD, FACC

La Grande Place, 1350 Deer Park Avenue
North Babylon, New York 11703. Tel. 631-482-1355

We would like to introduce you to **Heart and Health**, an expanding Cardiology practice located in N. Babylon. At Heart and Health, we are striving to better support the local physicians in the West Suffolk area. Together, we can provide patients with the exemplary health care they deserve.

Leading Heart and Health is David Kavesteen, MD, FACC, who graduated in Biochemistry from Stony Brook Magna Cum Laude and developed his talent for research during medical school at SUNY Health Science Center in Brooklyn. Dr. Kavesteen graduated with his MD with a distinction in research. He completed his residency at the prestigious New York University Medical Center and continued to further his education in Maimonides Medical Center, specializing in cardiology and cardiovascular diseases.

Dr. Kavesteen believes that prevention is the key to a healthy heart and strives to ensure cardiovascular stability according to each individual patient's need(s) through **education, nutrition, medication, and psychotherapy.**

As a result of his belief, Dr. Kavesteen was presented with the prestigious **Patient's Choice Award** in 2008. The Patient's Choice Award is an honor granted to a doctor by the people that count most; their patients. Each patient rates their doctor on various aspects such as, bedside manner, doctor-patient face time, degree of follow-up, courtesy of office staff, and their overall opinions. This award reflects the dedication and service patients are given from the moment they walk through the door.

Heart and Health offers a knowledgeable staff, safe and proven procedures, as well as the latest in medical technology. In order for our specialists to prescribe the proper health plan, our patients undergo diagnostic testing right here in our office for their personal assessment such as:

Echocardiogram* *Carotid Doppler* * Nuclear Stress Test* *Metabolic Testing
Holter and Event Monitoring* *Radiation Free Stress Test* *Peripheral Vascular Studies

Our mission is providing excellence in cardiovascular care. We believe that teamwork makes the dream work through caring and nurturing together. Heart and Health welcomes the opportunity to work with you and are more than happy to schedule a meeting with you and your team.

Feel free to contact us at (631) 482-1355 or visit our website at www.HeartAndHealth.com

Thank you.
